**MINISTER OF  
SUSTAINABLE DEVELOPMENT**

Legislative Building  
Winnipeg, Manitoba, CANADA  
R3C 0V8

JUL 26 2018

Mr. Ron Benson  
Executive Director  
Manitoba Association for Resource Recovery Corp.  
35-1313 Border Street  
Winnipeg MB R3H 0X4

Dear Mr. Benson:

I am pleased to issue an Approval to the Manitoba Association for Resource Recovery Corp. (MARRC) for the Manitoba Stewardship Program Plan for Used Oil and Antifreeze Products (the Program) effective July 1, 2018. This Approval will expire June 30, 2023, pursuant to Section 7(4) of the both the Used Oil, Oil Filters and Containers Stewardship Regulation and the Household Hazardous Material and Prescribed Material Stewardship Regulation (the Regulations) under the Waste Reduction and Prevention Act (WRAP Act).

This Approval is issued to MARRC under Section 7(2) of the Regulations and is subject to MARRC meeting the conditions as set forth in "Attachment A" of this letter, and which forms part of this Approval.

If I am not assured that MARRC is implementing or operating the Program substantially in accordance with its intent, or where I or my officials have concluded, based on relevant circumstances, that the Program or terms of this Approval, including "Attachment A: Conditions of Approval" should be reviewed, then pursuant to Section 7.1 of the Used Oil, Oil Filters and Containers Stewardship Regulation and Section 8 of the Household Hazardous Material and Prescribed Material Stewardship Regulation, new or additional conditions may be imposed as deemed appropriate so as to ensure that the environmental outcomes and regulatory requirements are fulfilled.

The Department intends to establish guidelines for third party assurance of non-financial information to be reported by all approved stewardship program operators in the Province of Manitoba. My officials in Manitoba Sustainable Development will work with MARRC to establish guidelines to provide the Manitoba government with a reasonable level of assurance that key performance measures of the Program are reported accurately.

It is a priority of this department that the Program provide convenient, province-wide accessibility to all Manitoba communities including Manitoba's northern, remote and First Nations communities. I expect MARRC to work collaboratively with other Producer Responsibility Organizations to maximize synergies and deliver program outcomes in a cost effective and efficient manner.

I will take this opportunity to remind you that under Section 10(1) of the Used Oil, Oil Filters and Containers Stewardship Regulation and Section 11(1) of the Household Hazardous Material and Prescribed Material Stewardship Regulation, as Minister, I have the authority to suspend or cancel the Approval of the Program at any time if there is a breach or contravention by MARRC as the operator of the Program, of either the WRAP Act or the Regulations or the conditions set forth in this Approval and, if applicable, subsequent amendments of this Approval.

Any notices to be provided to department officials pursuant to this Approval shall be submitted in writing to: Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development, Box 38, 200 Saulteaux Crescent, Winnipeg, Manitoba, R3J 3W3.

MARRC should submit their next application for renewal of this Approval by January 31, 2023 to allow adequate time for review and public consultations.

I look forward to the continued operation of the Program in the Province of Manitoba.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'R. Squires', with a stylized flourish at the end.

Rochelle Squires  
Minister

Glen Holmes

**ATTACHMENT A**  
**Conditions of Approval**

Manitoba Association for Resource Recovery Corp. (MARRC)

The conditions set forth below form part of the Ministerial Approval for the MARRC Manitoba Stewardship Program Plan for Used Oil and Antifreeze Products (the Program) pursuant to the Used Oil, Oil Filters and Containers Stewardship Regulation and the Household Hazardous Material and Prescribed Material Stewardship Regulation (the Regulations) and are as follows:

THAT MARRC:

1. Implement and operate the Program substantially in accordance with its intent, consistent with the requirements of the WRAP Act, the Regulations, the Conditions of Approval, the Guideline for Used Oil and the Guideline for Household Hazardous Material and Prescribed Material Stewardship as approved and amended from time to time.
2. Identify a senior official with MARRC as a contact person to work with my officials at Manitoba Sustainable Development to provide such assistance or any information (including both financial and non-financial information) that may be deemed necessary in a timely manner to enable them to provide me with information to assess whether MARRC has implemented the Program and it is operating substantially in accordance with its intent and the Conditions of Approval and, if applicable, subsequent amendments to this Approval.
3. Retained earnings shown on MARRC financial statement for the Manitoba Program (total revenues less total expenditures), as determined by an external auditor, shall not at any time during the term of this Approval, exceed an amount equal to one year's program revenue.
4. Achieve a recovery rate of 75% for used oil and filters.
5. Include collection of Diesel Exhaust Fluid Containers to this program by 2020.
6. Submit an annual report to Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development per the applicable regulation and guidelines.
7. Provide updated information on collection sites/depot locations to Manitoba Sustainable Development when requested or when substantial changes occur.
8. Maintain its status as a body corporate and registration under The Corporations Act, C.C.S.M. c. C225 (Manitoba) while operating the Program.
