## *Overview of MARRC*

The Manitoba Association for Resource Recovery Corp. (MARRC) is a non-profit corporation established in 1997 by manufacturers and marketers of lubricating products in Manitoba. Its mandate is to develop, implement and administer a cost-effective, sustainable, user-financed, province-wide stewardship program for used oil, used oil filters and used oil containers.

MARRC was incorporated under The Corporations Act of Manitoba on April 1, 1997. It operates in accordance with a Letter of Approval issued by Manitoba Environment on February 26, 1998 under Section 7 of the “Used Oil, Oil Filters and Containers Stewardship Regulation” of the Waste Reduction and Prevention Act.

MARRC received a letter of approval dated December 21, 2007 from the Minister of Conservation extending the Stewardship Plan term for an additional five years to December 14, 2012.

The Corporation derives revenue principally in the form of Environmental Handling Charges (EHCs) applied to the sale or consumption of selected lubricating products in Manitoba. The Corporation's primary expenses are related to the:

- establishment and operation of a publicly-accessible network of licensed collection facilities for used lubricating products,
- payment of Return Incentives to companies licensed by the province and registered with MARRC to collect used lubricating products and transfer them to approved processors and end-users,
- payment of Processing Incentives to companies licensed by the province and registered with MARRC to recycle used lubricating products, and
- development and distribution of public education materials.

MARRC's affairs are managed by a six-person Board of Directors drawn from the member companies of MARRC and from other stakeholder organizations.

MINISTER OF CONSERVATION

Legislative Building  
Winnipeg, Manitoba, CANADA

Mr. Ron Benson  
Executive Director  
Manitoba Association for  
Resource Recovery Corp.  
35 – 1313 Border Street  
Winnipeg MB R3H 0X4

DEC 21 2007

Dear Mr. Benson:

I am pleased to issue an Approval to the Manitoba Association for Resource Recovery Corp. (MARRC), for a used oil products and material stewardship program. Pursuant to 7(4) of the *Used Oil, Oil Filters and Containers Stewardship Regulation of The Waste Reduction and Prevention Act*, this approval expires on December 14, 2012.

This approval is issued under Section 6 of the *Used Oil, Oil Filters and Containers Stewardship Regulation of The Waste Reduction and Prevention Act* and is subject to MARRC meeting the following conditions:

1. That MARRC implement the Used Lubricating Products Stewardship Program substantially in accordance with its original Application for Approval dated July 11, 1997 as amended by its submission dated December 1997 and the Applications for Renewal dated June 2002 and August 2007 (the Stewardship Program Plan);
2. That MARRC provide my officials with regular updates as to the progress of MARRC's implementation of the Stewardship Program Plan;
3. That MARRC shall cooperate with my officials and provide such assistance as they may deem necessary so that my officials are able to prepare and provide me with a report no later than June 17, 2011, assessing whether MARRC has implemented the Stewardship Program Plan substantially in accordance with its intent and in accordance with the conditions of this approval for the period up to December 31, 2010;
4. That MARRC submit an application for renewal of this approval by no later than August 31, 2012, to ensure adequate time for public review;
5. That MARRC shall advise my officials about any proposed changes to the details of the plan, prior to making any changes to the Stewardship Program Plan so that my officials may consider whether the proposed changes are inconsistent with the conditions of this approval and in particular whether the proposed changes may impact on the continued effectiveness of the Stewardship Program Plan;
6. That retained earnings shown on the financial statements of MARRC (total revenues less total expenditures), as determined by an external auditor, do not at any time during the term of this approval exceed \$3,000,000;
7. That MARRC work with my officials to improve performance in the recovery of containers and maintaining and expanding the collection infrastructure;
8. That where I am not satisfied that MARRC is implementing the plan substantially in accordance with its intent, or where I have concluded, based on such other factors as I or my officials have determined to be relevant in the circumstances, that the plan or these terms of this approval should be amended, then amended conditions may be imposed as deemed appropriate.

Yours sincerely,

Stan Struthers  
Minister

### Colouring Promotion Grades K-6

MARRC developed locally its fifth colouring promotion for school grades K-6 throughout Manitoba. The Department of Education assisted by distributing the “Attention Teachers” Poster to those schools in Manitoba. A sample of the colouring poster is shown below. MARRC is very proud of the results. 4,630 students from 61 rural and 47 Winnipeg schools participated. Students were also encouraged to participate in the EcoSchool animation on the website. They were rewarded with a Bookmark, a Mr. Oil Drop Toque and a Used Oil Recycling Notebook.

### EcoSummer – Rural

MARRC developed its 6th Lucky Lotto Keychain promotion. This promotion was participated with Home Hardware. There was a specific “call to action”... Recycle and you could win! WIN a \$50 gift certificate just for dropping off your used oil products! There was a 1 in 15 chance to win (see flyer above). MARRC distributed posters to all Home Hardware locations and the 65 EcoCentres and licensed rural collection facilities. A record 3,460 keychains were distributed (one per person) upon delivery of the used oil products.

### EcoSummer – City of Winnipeg

The Winnipeg network of 10 licensed collection depots including the 6 Canadian Tire sites participated in a separate Lucky Lotto Keychain promotion for the City of Winnipeg. Keychains were distributed in response to the receipt of used oil, filters and container products. MARRC secured numerous \$50 gift certificates from its Partner for a Clean Environment, Canadian Tire.

**Goldeyes Fans Win Big Prizes! MARRC...**

**MANAGERS OF MANITOBA'S USED OIL RECYCLING PROGRAM...**

Is pleased to announce that more than 30,000 fans at 12 selected home games throughout the Goldeyes season entered the promotion for a chance to win one of 12 Nintendo Wii's and Wii Fits. One 42" LCD TV was also available to be won. Mr. Oil Drop and Goldie were on hand along with Ron Benson and Aaron Strub of (MARRC) all in the name of spreading the message of recycling your used oil products. Just 1 litre of used oil can pollute 1 million litres of fresh water!

The following people have won a Nintendo Wii & Wii Fit at selected home games throughout the season: Eva Joss, Margaret Thorsteinson, Andrew Bilchok, Liedo Barton, Thomas Newton, Kelly Vincent, Karen Gohler, Joe Donato, Ian Davies.

Earl Ballman (Centre) is the grand prize winner of the 42" LCD TV courtesy of Manitoba's Used Oil Recycling Program. Goldie, Aaron Strub, Ron Benson and Mr. Oil Drop were on hand to make the presentation.

MARRC participated as a key partner with the Winnipeg Goldeyes professional baseball team. The partnership included advertising in 104 games on the radio with 60 second commercials featuring the used oil recycling jingle and a specific message regarding the EcoSummer promotion. MARRC also participated in 12 games at the entrance promenade with the fans, including an on-field introduction of Mr. Oil Drop for "Race the Mascot" each game. Bookmarks were also handed out to the fans. (Attendance averaged 6,000 per game).

MARRC at the same time produced an exciting promotion whereby each fan was presented with a Lucky Lotto Sweepstakes Ticket for a chance to win a Nintendo Wii and Wii Fit at each of the 12 selected home games. A 42" LCD TV was the grand prize. 30,000 fans in total entered the promotion. Fan interest was overwhelming. Public address on-field announcements were made during the Race the Mascot, promoting the recycling of used oil. Also the winners were projected on the Jumbotron.

#### ***EcoCentre / Collection Depot network maturing at 76***

MARRC's rural network of EcoCentres stands at **53** exceeding the minimum network objective established by the province's multi stakeholder Used Oil Management Committee in 1996. The network includes the northern locations of The Pas, Flin Flon and Thompson, plus Cranberry Portage, Grand Rapids and Fisher Branch

In addition there are **23** other facilities licensed by Manitoba Conservation for the collection of used lubricating products including 10 locations in Winnipeg (6 of which are Canadian Tire).

#### ***Training and audits promote safety and compliance***

MARRC, as part of its contractual arrangements with owners/operators of collection facilities, provides initial and recurrent on-site training for management and staff. The training, and follow-up audits are designed to promote a safe operation and compliance with each facility's operating license issued by Manitoba Conservation. During 2009, inspections were conducted at all of the licensed EcoCentre and collection depot facilities in the province.
