

**Manitoba Association for Resource Recovery Corp.  
Used Lubricating Oil Recycling Program**

**Application for Return Incentive for On-Site Recycling  
of Self-Generated Used Lubricating Oil**

An organization which recycles its own used lubricating oil on-site, may apply for a return incentive from MARRC based on the actual volumes of used oil recycled.

1) **Applicant** \_\_\_\_\_

Address in full \_\_\_\_\_

Address of on-site recycling activity if different from above \_\_\_\_\_

Phone \_\_\_\_\_ Fax \_\_\_\_\_

Contact/Title \_\_\_\_\_

2) **Recycling Process** – Please describe your process for recycling used lubricating oil on-site.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

3) **Measurement and record keeping**

Please provide a picture of the hourly flow meter reading.

Please provide a picture of the specs located on the burner

Please provide the make and model of the burner \_\_\_\_\_

**Certification, Agreement & Acknowledgement**

The applicant certifies that 100% of the used lubricating oil being claimed through a return incentive from MARRC is:

- (a) Generated and recycled at the location described in Section 1 and recycled by the process described in Section 2.

The Applicant agrees that MARRC may, from time to time at its discretion, audit the Applicants used lubricating oil recycling records and/or its new lubricating oil purchase records through a firm of chartered accountants selected by MARRC.

I, \_\_\_\_\_, certify that the information provided on this form is correct. It is hereby acknowledged the undersigned on behalf of the company that MARRC shall not be liable to the Company, nor to any third party for any matter relating to the Used Oil Products and Material Stewardship Program established by MARRC pursuant to the requirements of the Used Oil, Oil Filters and Containers Stewardship Regulation of the Waste Reduction and Prevention Act of the Province of Manitoba, or any amendments made thereto, MARRC being only a facilitator for the said program.
